

# St. Mark's Annual Report

2019

"Unless the Lord builds the house, those who build it labor in vain." - Psalm 127:1a

Dear Friends,

2019 has been a year of transition at St. Mark's. Most notably, we began our Atrium entrance addition and restoration of Larrabee House (our rectory for 60 years). We expect to dedicate the work near Eastertime of this year. It was also a time of transition as several long-time staff members moved on at the end of 2019. I am personally appreciative of their labor for Christ and His Church and look forward to God's provision for St. Mark's as we assess our staffing needs for the next seasons of ministry.

As you take note of facts and figures in this annual report, I expect you'll recognize God's grace poured out upon His people and passed on through us to those with need in the Fox Valley and around the world.

God is Good! All of the Time!

Father Wark

#### Who We Are
